ANA New Orleans, Central States Show Reports and Newps

May 23, 2013

Greetings!
We've just completed a run of seven shows in ten weeks. We did very well at Central States and we met our sales goal at ANA New Orleans despite lower traffic than usual.

As always, we were looking to acquire outstanding coins, and we found some great ones. Our newps include a nice run of certified Bust dimes in collector grades, a large number of great Seated halves incl. 3 1839 No Draperys and a PCGS-graded 1851, an 1871-CC dime in PCGS G-6, an 1804 B-2 quarter in PCGS G-6, Seated quarters incl. 1849-O, 1853 NA, and 1872-S, and early halves incl. two 1801's and an 1802. We also acquired some other interesting coins including a decent 1855 Seated dollar, an 1857 Seated dollar in PCGS XF-40, an 1869 half in PCGS PR-65 with wonderful toning, and one of the most beautifully toned AU-58 PCGS Bust halves I have ever seen:

All of our coins including the following newps are posted on our website www.richuhrichcoins.com. **If you see any coin(s) of interest, please call (717)533-2935 or (717)579-8238 (cell) or e-mail us at richuhrichcoins@comcast.net to reserve the coin(s)** that you want.

Looking Toward The Future

Our office will be closed June 4 through June 7 for a strategic planning meeting. Please note, if you want us to hold a coin for you during that time, call and leave a message, or email us, and state "HOLD THIS COIN". We will return those calls and emails in the order received.

My next show is Baltimore from Thursday, June 20 thru Saturday, June 22. Then we have a break until the ANA show in Rosemont (near Chicago) Tuesday, August 13 to Saturday, August 17. If you get to one or both of those shows, please stop by and say hello!
